President's Message

Brothers and Sisters:

I hope your New Year 2012 has taken off to a good start, and you're still trying to keep up with your new year resolutions. My resolution has been to exercise a little bit more and to eat a little less. So far I've been sticking to it, but as we all know with the lives we lead, it is very

easy to get side-tracked.

Our New Year's Eve Dance was a success, thanks to chairpersons Bill Lamont and Bob Savino. The entire committee did an outstanding job making sure everything was perfect. Our catering staff as always, did a great job. You people are the best!

The first week of January we held our nominating committee interviews for our new slate of officers and convention delegates. The lodge thanks Past President Rocco Castoro for chairing the committee, along with four additional Past Presidents of our lodge: Tony Bianco, Clem Oropallo, Bill Lamont and Roy Perticone. It is not an easy job to put in place a slate of officers, and I thank you all very much for your expertise. Keep in mind that our installation of new officers will be held at our lodge, Sunday, March 4th at 1pm. As one lodge family, please come down and show your support for all the Lodge Officers, the Ladies Auxiliary Officers, and the Brumidi Lodge.

On Saturday January 14th, we had a Social Ballroom Mix with DJ's Gene and Joanne. The room was filled with dancers of all ages, who seemed to be enjoying themselves. It was nice to see the members of our lodge, Arturo Toscanini Lodge and our Wednesday night dancers all having a good time. As I was speaking with the dancers, I found out some of them go dancing two or three times a week. They make it look so easy and seem to be having fun while also getting exercise. If you think you might enjoy this, remember we have dancing at the lodge every Wednesday night with DJ Ray.

This month we received our scholarship applications. If you know a student you think might be eligible, please come down and pick up an application and remember to get the application in by the date stated. This will give the students an opportunity of winning a scholarship. I know scholarships can be very helpful in this tight economy. If you have questions, please call either Tony LaRocca or Jack Battaglia.

On Saturday, January 28th, we had our annual Comedy Show. This years chairman was Dan Cicale. Dan along with his committee did a very good job of getting everything in order for a very enjoyable night. Rick Morgan, year after year, sends such talented comedians to our lodge. We can be sure we will get the best show possible. What they say is true..."Laughter is the Best Medicine."

Our 300 Club will begin again the first week of February. Last year everyone who won was very happy and if you didn't win you knew maybe next week you still had a chance of winning. It made each week exciting! If you haven't taken a number yet, please contact Dan Cicale or Thom Lorito because"You have to be in it, to win it!" Good Luck!

The lodge again has a new addition. The projector, with a Bose surround sound is up and running. This projector will allow us to plan many more exciting events at the lodge. I think I see a "movie night" in our future or even a major sporting event. Our catering staff will also benefit from this projector. Catering clients will now have the opportunity to play slideshows and /or power point demonstrations at their planned events.

I want to again thank Paul Carosotto and Vinny DeGirolamo for all of their effort and hard work installing this hi-tech equipment. Also, thank you to Vinny's friend Brian Blume for helping with the installation. I know all of us will reap the benefits once we start using the projector. Some of the members might not know it, but Paul and Vinny are always there to help maintain the lodge. They will show up with a pair of pliers, a drill, a hammer or just about any tool necessary to make a repair to our building and grounds. Thank you gentlemen from myself and the members of the Brumidi Lodge.

Bingo and Vegas nights are very beneficial to the running of our lodge. We can always use your help, so please come down and support the work of our lodge, while meeting and conversing with your fellow lodge members.

Read about all of our upcoming events in the LaVoce this month. Keep in your prayers all of our sick and departed members and their families. Also, pray that the weatherman keeps the "S" word out of the forecast for the rest of the winter. Come down to the lodge where it is nice and warm and enjoy fellowship with your lodge brothers and sisters.

Insieme come una famiglia,

President Andy

About Our Heritage . . .

Who's Who in our Culture?

Born February 18, 1745,

Alessandro Giuseppe Antonio Anastasio Gerolamo Umberto Volta, in Como, Lombardy, Italy. He did not speak until the age of four and appeared to be mentally backward; but by seven he was at the level of other children and soon began to overtake them. His parents were not wealthy, but with the help of relatives, sent him to the Royal Seminary in Como, with the intention that he would enter the legal profession. However, at an early age, Volta had decided to pursue chemistry and physics as a career. In 1763 he began to correspond with noted French physicist Abbe Antoine Nollet, suggesting an analogy between electrical and gravitational forces. In 1774, he was appointed professor of physics at the Royal School and designed his first invention, the electrophorus, a device that produced static electricity. For years thereafter, he studied the chemistry of gases and experimented with atmospheric electricity by igniting static sparks. In 1779, Volta was appointed professor of physics at the University of Pavia, where he invented his most famous invention, the voltaic pile; the first battery to produce a reliable, steady current of electricity. Volta revolutionized science and technology by his invention of the electric battery, which he sometimes judged by the flash he saw as he touched its wires to his eyelids.

Volt—the unit of electromotive force, or difference of potential, which will cause a current of one ampere to flow through a resistance of one ohm . . . is named for Italian physicist Alessandro Volta.

Madame's Message

Dear Sisters and Brothers,

We should be very thankful that the weather has held out so far this winter. Though some days are colder than others, it hasn't kept us totally house bound.

I would like to repeat what I said last month:

No one does a job of President alone. I am deeply grateful for all of you who helped me in any way. If you agreed with me or not you offered your support and assistance. I know without the members of the Ladies Auxiliary we wouldn't have an Auxiliary. **I thank you ALL from the bottom of my heart.**

The New Years Eve Party was a lot of fun, and a great way to ring in the New Year. Congratulations to Bob Savino and Bill Lamont for running this event. And thank you to Sabrina and Carmel for selling the tickets.

Our Nominating Committee met on January 3rd and 4th. The slate of Officers was read at the January 24th General meeting. Thank you to Carol Nani (PP) for acting as Chairlady and also to Faye Ferrante, Marie Diamante, Jeannie Baiera, for accepting positions on the Committee and I'm sorry you were ill Kathy Lepore. The membership is grateful for your important contribution to the workings of the Auxiliary.

There was a Social Ballroom Mix on Saturday, January 14th. A Hot buffet was served, and coffee, tea, cake and cash bar. Thank you to J&G Entertainment, Gene and Joanne for the great music and the dancers who come because of you.

The Comedy Show was on Saturday, January 28th. Congratulations to Dan Cicale as chairman and thank you to Ginger Filangeri & Anita Montuori for being ticket ladies. I'm sure it was a barrel of laughs.

Saturday, February 11th is our Valentine's Dance. 8:00pm to 12:00am, \$40pp, sit-down dinner, open bar, music by DJ, and raffles. This is when we honor our Lodge Queen Alexandria Favarolo. Antoinette Masi is Chairlady and Lucille DiNardo is Co-Chair. Ticket ladies are Carmel Lamont and Anita Montuori. Come out to honor Queen Alexandria for representing our Lodge so beautifully.

Saturday, February 25th is the second Night of the Races here at the Lodge. Post time 7:00pm. Adults \$10 and Children \$5. Frankfurters, Chicken fingers, french fries, soda, ice cream, coffee, tea & dessert. Beer, wine and drinks available at additional cost. Race program space available. I heard everyone had a great time last year, I hope to be at this one.

For tickets contact: Chairman Carmine Soldano, Frank Provenzano, Jack Battaglia or Sal Mangano.

Sunday, March 4th will be our Lodge Installation of Officers. Come down to support the men and women who give their time and effort to help the Constantino Brumidi Lodge to be a premier lodge in NY OSIA.

Take note of Dates coming up:

February 16th – Aqueduct Casino trip

March 17th – Saint's Day Social

March 25th – Easter Bunny Brunch

March 29th – Military Bridge

April 14th – Heart Fund Dance

I wish everyone a very enjoyable and loving Valentine's Day with the one they love.

I thank ALL the ladies of the Auxiliary and would like to acknowledge that whether you just pay your dues, attend meetings or commit yourself to serving as a committee person, a chairlady, or an Officer, you are supporting this Auxiliary. I thank you ALL for doing what you do.

And I invite more of you to be involved. Join a committee, come down to bingo and/or vegas nights, chair a dance or bring us a new idea for a function. Show us your talents, exercise your creativity, share your experience. Speak to me if you'd like to learn something or do something new.

If you don't participate you cannot be critical of those who do.

Please remember in your prayers our Brothers and Sisters who are ill or recovering from injury, our deceased members and their families.

*Remember also in your prayers our brave service men and women who are around the world protecting **our freedom**.*

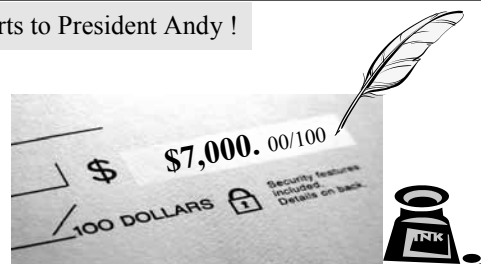

Pray for our Country, our leaders and for the candidates that are seeking the office of President of the US.

Our owners: Their owners:

Here.

There.

Not only are we a family-owned funeral home, we're owned locally. Why should this be important to you?

Because we answer to our own community—our friends, neighbors, you.

As for that other funeral home chain, their owners are out-of-state... where are *their* interests?
