## President's Message

Brothers and Sisters,

My column in the last issue of the LaVoce began with how hard it was to believe that the Holiday season is upon us. Now it is even harder to believe it is just about over. Let me wish each and every one of you a HAPPY NEW

YEAR! We have heard that greeting over and over the past month but what do the words actually mean? According to the dictionary, New Year refers to the time or day at which a new calendar year begins and the calendar's year count increments by one. However, there is much more to it in a spiritual way. The New Year can often bring a mixed bag of emotions and memories for many of us. Some of us may have just experienced the best year ever and look forward to an even greater forthcoming year. Others may have just trudged through a tragedy or one deep struggle after another. The fresh calendar year brings us all desperate hope for things to be better, with just a little pain for the still-fresh wounds to slowly begin their process of healing. Whether we've just walked through the greatest year of our life, or we are incredibly glad to see this one finally over, one truth still rings clear amidst it all. We are not alone. Not ever. Our

God is a "with us" God. On the heels of the celebration of the birth of his Son, that reminder has the power to carry us right into a fresh, new start. And though things and people around us shift and change, our God never changes. So with that in mind, I wish each and every one of you and your family and friends a very Healthy and Prosperous 2019.

Now that November and December have once again come and gone, we look back at all the wonderful events our Lodge has hosted. You, the members transformed our hall into a Christmas Wonderland at our annual Trim-A-Tree night. This set the stage for all the Christmas events to follow; the Senior Christmas Party, Breakfast with Santa, the Officer's Christmas Party, and our Member's Christmas Party. New Year's Eve was another spectacular night for those guests that attended.

Looking forward to a greater forthcoming year at our Lodge, we as members have many things to look forward to. The first quarter of the year we will be making major renovations and updates to our main catering hall. This will help all aspects of the catering, Lodge activities, and rentals. We also hope to make changes to the upper level so that you as members may enjoy our activities and your personal activities in a comfortable and friendly surrounding. This year we have also redesigned your membership card with a new look and it is now wallet friendly. Please be patient this coming month in obtaining your new card. Most of all, we look forward to our 50<sup>th</sup> Anniversary Gala and Celebration this coming April.

Continue to use the LaVoce, our beautiful website, and even our Facebook page as a great source of information on events and activities. We have two entertaining events coming up, Soup Night on January 10<sup>th</sup> with the "Not so Newlywed Game" and Trivia Night where your team can show their knowledge of television, music, movies, etc.

Remember, this is your Lodge and we welcome your input and well as your support each and every week our doors are open. I continue to thank you for your personal encouragement and fraternity as we enter the New Year. We must move forward and not look behind us. Enjoy precious time with your family and friends during this New Year Season. God Bless.

Fraternally,

*Carmine*

*"As glasses are raised and fireworks explode into the sky, it's important to recognize the special symbolism this New Year brings with it. A time of new beginnings and fresh starts also comes with a time of reflection. Whether your resolutions consist of keeping your hands out of the cookie jar or giving your heartfelt word to work on relationships with loved ones, it can take work. And it can make all the difference to put these hopes into words and warm wishes. Seeing is believing."*
