### President's Message

Brothers and Sisters,

I am going to start this issue's message by giving it to you straight. Our Lodge/Building is in bad shape financially. This is primarily due to the lack of income as a result of the ongoing pandemic in our State. All of your officers, trustees and directors have been working very hard to keep some finances coming in through different types of fundraisers. We have basically stopped all spending and donations. We are trying to keep up with the bills and payroll. We have received one grant for our payroll and we are applying for another grant from the Town of Babylon to be used on the fraternal/non-profit side. Our bills and payroll are paid to date but this will not last more than another month. You may ask yourself if the building has been closed, we should be using less utilities. The answer is yes, we are using less, however, since we are on budget plans, our bills are the same each month and we will not get any credit until the end of the year. This is one of many examples of the financial predicament we are in. These are primarily the reasons we could not resume printing and mailing this issue of the LaVoce to the membership. It would be fiscally irresponsible. The trustees made the correct decision and we cannot tell you at this time when we will resume printing and mailing. I urge you to please come to our meetings when you feel comfortable enough. These coming months will shed light on our future here at the Brumidi Lodge. Hopefully, New York State restrictions will end soon and we can try to get back to normal. This however will take much time and effort. I thank you for your continued support of our fundraisers. Remember, the more you support our programs, the quicker we can get back on our feet. The Directors of your lodge met on the fourth Monday in August to come up with alternate plans to our financial problems. We will be presenting these plans and ideas to the membership during the next few months. Please stay tuned for the forthcoming ideas/opportunities.

Our summer season passed by slower this year, due to our isolation during the pandemic. Although it was delayed several months, we were able to honor our 2020 Scholarship winners at our general business meeting in August. Thank you to my wife Susan and her committee for another job well done. Our Memorial Mass has been cancelled due to the pandemic and in 2021 we will hopefully hold our Mass for our departed members for 2019-2020 and 2020-2021. Our Day at the Races on August 23 was a huge success due to the work of the committee and most of all the guests that attended. Social distancing was followed and everyone had a good time. By the time you read this message, I hope we were semi successful with our Craft Night, and our Lodge Barbecue.

Our Meals on Wheels take-out food program has been successful and we shall try to have one every two weeks if we have volunteers to help in the kitchen. Please contact Daniel Calise if you can help cook or prepare the dinners in our kitchen. Brumidi Catering is now offering "Off-Premise Catering." Make sure you pick up our new catering brochure at the lodge. Please talk this up to your family and friends.

September and October usually come with many events and important dates. However, I am sorry to say that due to the pandemic, we are limited to what we can do as a lodge. By now you should be aware that both the New York City and Town of Huntington Columbus Day Parades have been cancelled. This is not due to any protests but a result of the ongoing pandemic. They should both resume next year. October is traditionally our Culture and Heritage month. At our General membership meeting on October 20<sup>th</sup>, we will attempt to serve Traditional Italian food to celebrate our culture. We will not be hosting vendors from the community as we have done in the past. The plan is to showcase some of the Brumidi off premise catering Menu. If you would like to make an antipasta, entrée, or dessert for this evening, please contact house chair Frank Montuori so he can properly coordinate the effort.

Remember, member recruitment is ongoing. We recruited some interested future members at our Day at the Races. I continue to challenge each of you to get one family member or friend as a new member of our lodge. The membership is the strength of any lodge. Let's continue to build a strong fraternal bond amongst our membership and promote our lodge. Also please remember that during the next few months, we will be attempting to put together food baskets for the needy in our community. Just like our lodge, many families are financially strapped this year. Please remember and pray for those families and consider putting some food items aside for any upcoming food drives.

First Lady Susan and I wish you and your family a safe and healthy Labor Day and Columbus Day weekend. Enjoy these holiday weekends at home safely with your families. May God continue to Bless each and every one of you during these trying times. I will end my president's message with these words, **"Keep the Faith."**

Fraternally,

*Carmine*

### OCTOBER

It was the Genoese seaman, explorer and adventurer Christopher Columbus who discovered the trade winds. These winds carried his three modest-size sailing vessels, the Nina, Pinta and Santa Maria across the Atlantic.

He took the prediction of the Roman philosopher Seneca and the travel chronicles of Marco Polo and demonstrated undaunted leadership to carry out a world-changing voyage.

The legacy of Columbus was essential in truly legitimizing our transition from Italians to Americans. Our Italian-American ancestors, facing bigotry and discrimination, identified Columbus as an Italian celebrated greatly across America for establishing a lasting bridge between the Old and New World.

Columbus Day is a holiday that celebrates the significant travels that created this day and age. And it is in this day and age that our voice needs to be heard louder than that of misguided revisionists.

Vandalism is the willful destruction or damaging of property in a manner that defaces, mars, or otherwise adds a physical blemish that diminishes the property's value. Vandalism is punishable by law.
