President's Message

My Brothers and Sisters,

This time last year, I believe I started my article with, "Can someone explain to me where 2019 went?" This year, 2020, moved much slower due to all the restrictions, complications, and safeguards regarding the pandemic across our great Country. Politics and other issues got out of hand, and by the time you read this message, we may be (hopefully not) in the middle of some sort of other protest in the Country. Whatever the case, we must push ahead and be there for each other in both Fraternity and Italian spirit. That being said, later in my article, I will go over the change in our lodge activities for the Thanksgiving and Christmas season as a result of restrictions with the ongoing pandemic. Please keep in mind that we are restricted to a maximum of 50 people including staff, in our building for any event.

To begin, our financial woes have not changed other than we have sold \$100,000.00 worth of bonds to our members to help us through the spring of 2021. This was a win-win situation. The building got a small jolt of life and the participating members enjoy a 4% return on their investment. Due to the continuing financial issues, I am sorry to report that I cannot determine at this time when we will start to print and mail out the LaVoce again.

Our Culture and Heritage night on October 20th was a success considering the current circumstances. To help stay safe, we did not arrange for any outside vendors this year but showcased our own Brumidi Catering. Our event was sponsored by Town of Babylon Councilman and lodge member Anthony Manetta. Anthony joined us that evening and made a much needed donation to our lodge. He was also honored as our October Member of the Month. We installed our beautiful Lodge Queen, Sophia Petri, and presented her with her tiara and flowers which were graciously donated by member Janet Dickert. Sophia is the granddaughter of member Angela Petri. We also had a very informative presentation from Bob & Sabrina Savino on Culture and Heritage. Members brought homemade Italian desserts to finish off a lovely evening.

Due to the ongoing restrictions of the COVID-19 Pandemic, we will have a different holiday schedule this year. We will start our season off with our traditional Trim-a-Tree night on November 27th. This will get our hall ready for the Christmas Season. This year we will not be having a Seniors Christmas party. We are still working on the details of a possible breakfast with Santa. It will not be our traditional inside sit down event but a meals on wheels brunch with a gift presented to the children by Santa outside as the cars pull up for their pre-ordered meals. We are also working on a possible Christmas

Brunch for our Christmas Party. We will be having an Officer's Christmas party but this will be limited to current officers only and each guest will be contributing towards the cost of the party due to the current financial situation. Our annual New Year's Eve party is cancelled this year. These decisions were made due to our limit of 50 guests maximum and the prohibition of dancing. These are also the reasons for cancelling the Halloween Dance.

Other changes this year include the cancellation of the Huntington Columbus Day Parade. However, I did represent the lodge in a wreath laying ceremony in Huntington on Sunday, October 11th at the Columbus Statue in Huntington. This event was limited to State Officers and Lodge Presidents. On November 7th, we are hosting another game night. This time it will be "Survey Says" a modified version of Family Feud where each team attempts to pick the most popular answers to a question. You will love this game. Each team has a chance to pick a number from the main screen revealing the next question in the contest. Remember to sign up early because we are limited to a certain number of participants.

As 2020 comes to an end, we do have something for which to be thankful. We should be thankful for the core group of Officers and Directors of this lodge who continue to give and work week after week to keep our lodge afloat during this financial crisis. Many thanks to House Chair Frank Montuori and Building CEO Daniel Calise for their limitless time donated on behalf of the lodge and its membership.

Let us remember our Veterans on Veterans Day, and our deceased members at our Memorial Mass at SS. Cyril and Methodius Church on November 24th at 7:00pm. Happy Thanksgiving to you and your loved ones and remember to be thankful.

Remember Christmas is a state of mind. To cherish peace and goodwill, to be plenteous in mercy, is to have the real spirit of Christmas. Christmas is a time of reflection of the birth of our savior, Jesus Christ. This year I share with you a quote from the 1965 Peanuts movie, A Charlie Brown Christmas. This is a good reminder of what our Christmas is all about. As always, I wish you all a very Merry Christmas and a prosperous and most healthy New Year.

Fraternally,

Carmine

"For behold, I bring unto you good tidings of great joy, which shall be to all people. For unto you is born this day in the City of David a Savior, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger.' And suddenly there was with the angel a multitude of the heavenly host, praising God, and saying, 'Glory to God in the highest, and on earth peace, good will toward men.'"

Honored in the Town of Huntington on Oct 11th, 2020 by the OSDIA

Italian-American Culture & Heritage

All members are invited to plot your region on the Brumidi map of Italy. Tell us a story from the roots of your family tree.

He was born in an obscure village, the son of a peasant woman. He grew up in another village, where he worked in a carpenter's shop until he was thirty. Then for three years he became a wandering preacher. He never wrote a

book. He never held an office. He never had a family or owned a house. He didn't go to college. He never visited a big city. He never travelled two hundred miles from the place where he was born. He did none of those things one usually associates with greatness. He had no credentials but himself. He was only thirty-three when the tide of public opinion turned against him. His friends ran away. He was turned over to his enemies and went through a mockery of a trial. He was executed by the state. While he was dying, his executioners gambled for his clothing, the only property he had on earth. When he was dead he was laid in a borrowed grave through the pity of a friend. Twenty centuries have come and gone, and today he is the central figure of the human race and the leader of mankind's progress. All the armies that ever marched, all the navies that ever sailed, all the parliaments that ever sat, all the kings that ever reigned, put together, have not affected the life of man on this earth as much as that

One Solitary Life.
