"Nothing in life is to be feared, it is only to be understood. Now is the time to understand more, so that we may fear less." ~ Marie Curie

STAY SAFE

*President's
Message*

Brothers and Sisters,

I sincerely hope that this Spring has been kind to you and your loved ones. With spring comes hope for so many things, foremost being the diminishing Pandemic, beautiful flowers, a plentiful garden maybe even with tomatoes, basil and figs, and the start of a new normal.

Our new normal may look and feel somewhat different. As we navigate through this Pandemic, it is important to state that we are in need of your support and understanding. Things may not be the same as they once were, but we are doing our very best to keep the lights on and we can achieve this with your patience, participation and support.

I ask that each of you engage in the Lodge whether that means making or seconding a Motion at the General Membership Meeting, joining a committee, trying your luck in a Raffle, or attending an event.

I also ask that you submit ideas to any member of the Board for improvements and fundraising, ask how you can assist, solicit new members and reach out to your ailing Brothers & Sisters. I encourage you to share stories of your heritage. Please know that your input is invaluable and crucial to the success of our beloved Lodge.

As you will see in this issue we are planning some events including a Pre-Mother's Day Breakfast, a BBQ and, our Wednesday Night Dance is back! We are following NYS Protocols to keep our members and guests safe.

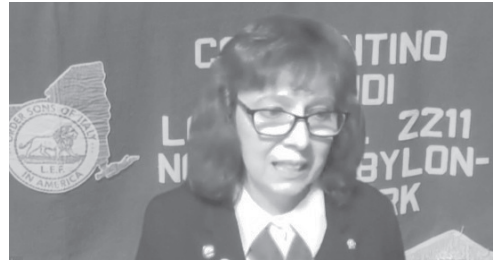

Scholarship Night will be held following our General Membership Meeting on Tuesday, May 18. Join us in pride as we congratulate these well deserving students.

There is no doubt that we are experiencing difficult times, but I believe that better days are coming soon. I look forward to seeing you again.

Wishing you a Blessed and Happy Mother's Day
and Happy Father's Day,

Sabrina

Genealogy – With an analysis of NYC Buildings in the 1940's By Carmine E. Soldano, Immediate Past President

The purpose of writing this article is basically two fold: First, as Immediate Past President, my devotion to the lodge still exists but it does free up an extra hour or so during my busy day to devote more time to hobbies and other personal interests that have been set aside while President of our lodge. One of those interests is Genealogy. I have been working on my family's Genealogy for over 30 years now. I was fortunate enough to interview Aunts and Uncles over the years to obtain information that would be impossible to obtain today.

That being said, I recently started a new branch of my family research that I would like to share with you. This past year, New York City released a website of Tax photos taken between 1939 and 1941 by the Works Progress Administration, in conjunction with the New York City Department of Taxation. The two entities organized teams of photographers to shoot pictures of every building in the five boroughs of New York City. The photographs were taken to improve the process of determining and recording property value assessments. This turned out to be a hidden treasure to a genealogist. I looked up and retrieved photos from this site of the homes that my family members were born in and /or grew up in. I also obtained photos of churches that my family ascendants were married in and places of employment. It was a great find and you could spend months looking at what NYC looked like in the 1940's. I have added such photos to my Family Tree Maker along with corresponding stories of individual family members.

Secondly, in looking at buildings and structures from that era, I found a clear photo of the Garibaldi Meucci Museum at its present location in Staten Island. The photo shows a Pantheon-like structure over the original house. Apparently, in 1906, the Garibaldi Society of Staten Island raised \$9,000 to move the house two blocks to its present site and protect it with this columned dome stucco and wood structure. I found this very interesting. It eventually had to be removed due to termite infestation. This is just one example of looking back in time in New York City. I welcome all my brothers and sisters to check out this useful tool at <https://1940s.nyc>.

Note: Each tax map photo on the site will have a sign in it. Sign shows Block NO., Lot NO. and County. In this case R=Richmond

MEMORIAL DAY

LAST JUMP

I kneel before the Wall, distressed, touching engraved family names, preceded by rank.

Granite dust, the pride of spent ammo, covers my fingertips.

Patriots lament soldiers.
Soldiers flashback to Charlie.

Tell me, have you found Michael?
His last jump is there in the pride of the Wall.

Excerpt from *Two for Michael*
